Betsy		Review Website Inquiries	
???		Social Media	6-month contract with DGB is almost up!! Need to discuss renewal and terms of renewal. "The current agreement is set to expire on 4/30/22. Any update if this is planning to be renewed? Let us know and I can add an addendum to the agreement and lock in the resources for the next 6 months. If we move forward with the extension, I'd like to do quarterly invoices if that's acceptable w/ you all. " Completed: Figure out what they have billed us for? Stacey did this and it looked correct. Action Kathy : Request the presentation from DBG Action: Betsy to ask DBG if they would consider 12 more months vs 6 months. What would those terms be.

EJ Initiative			Rick Wice (Battelle) is interested in contributing to an initiative but not leading. Elisabeth Freed (EPA) said "After the conference I plan to talk to my team about SuRF and the work you are doing. I'll be back in touch!" Jay Smith (Philips) said "I have enjoyed participating in the SURF SustREM 2022 meetings this week. I would like to get more involved in SURF. Not sure where there is opportunity or need. Philips is a member of NICOLE Europe, and I see some potential for cross-pollination. Perhaps you might have suggestions. I was very intrigued by the fuzziness surrounding the EJ initiatives that have been rolled out by the Feds. Do you know where I can find access to the census tract maps that were being discussed regarding the areas of the country where the EJ communities are located? I have a theory that, depending on the radius from the environmental site you use, almost all of them would be in proximity to such a community. I was thinking of testing this by looking at our own U.S. sites. I think this might add fuel to Rick Wice's push to have problem owners take notice that this is an important topic for them. I plan on potentially discussing this a bit with him at the Battelle conference in May."
